## **Conditions of Accreditation**

Compliance with these conditions is mandatory.

### **General Conditions**

This accreditation applies only to the legal entity identified on this certificate.

This accreditation applies to nominated drivers operating under the Basic Fatigue Management module, and drivers may be added during the period of accreditation.

### **Quarterly Compliance Statements**

As part of the internal review standard for the Basic Fatigue Management module of the NHVAS a Participant is required to complete quarterly compliance statements. These statements must contain a record of compliance with the key outcomes required for the module.

### **Basic Fatigue Management Module conditions**

All drivers must carry a copy of the following documents:

- Accreditation Certificate;
- A document signed by the accredited operator's stating that the nominated driver is working under their accreditation; has been inducted into the operator's management system and meets the requirements relating to drivers under the operator's accreditation; and
- A work diary

These items must be produced when requested by Authorised Officer or Police Officer.

### **Change of details**

The operator must notify the National Heavy Vehicle Regulator within 14 days when there is a change to any details of the operator.
